MagiQuest

Your MagiQuest Journey

Your Wand

Your Magic Wand is the key to becoming a Magi and your journey thru MagiQuest. It gives you the ability to focus your imagination and inner power, or Mana, to perform incredible Magic feats throughout the kingdoms. Your Wand will remember each and every feat you accomplish in MagiQuest, allowing you to continue your journey at any time in the future, exactly where you left off.

Making Magic

Once you have your wand and it's been powered up, you are ready to explore The MagiQuest Building to open chests and discover secret magic items. Look for the Q symbol to make the Magic happen by pointing and tapping your wand toward the object you wish to enchant.

Each time you use your magic you will receive **Gold** and **Experience Points** otherwise known as **XP**. Gold allows you to buy spells and runes in the game. XP allows you climb the rank of Magi from Apprentice to that of Master Magi. You can check your ranking against other Magi on the QuestTree scoreboard or at the MagiQuest channel on room TV.

Quests

Once you have explored, you are ready to embark on a Quest. Summon the Questmaster at one of the Quest Tree Stations with a wave of your wand and he will give you your choice of Quests. Completing a quest will earn you a valuable Rune.

Runes are the most valuable commodity in MagiQuest. These ancient sources of magic will give your wand additional powers once you possess them.

Adventures

After you have earned several **Runes**, you will then be ready to embark on an Adventure. This is where you will meet and interact with the creatures and people that live in MagiQuest. If you help them, they will reward you with even more Magical items.

Hints and Tips

MagiQuest at Great Wolf Lodge takes place on **all four floors of the MagiQuest Building**. Each floor has a different name. Refer to the ledgend on the next page of this booklet for all of their names. Remembering these names and the floors each is located on will make your questing easier and faster.

Use the stairs, at the back of the building to move between the forest lands and easily connect the quests together.

Hover Crystals are the key to getting in to Encounter Rooms where the Pixie, Dragon, Princess and the Goblin king live. These crystals are found at the entrance to their chambers. Cast your wand at it to see if you are on the right Quest or Adventure to visit them and if you have all of the items you need. If so, they will turn green and you may enter. If not, it will turn red.

Visit any of the **Status Stations'** characters to find out what items you have found and what you might be missing while on any Quest or Adventure.

For more hints and tips on playing MagiQuest from the Questmaster, tune to the MagiQuest channel in your room.

Lightning Rune Quest

Seek out the tools of the Warrior trade:
The armor, the shield and the Warrior's blade.
A Magi Warrior's Code Book,
a book of great size,
Then report to the Man in the Mist
who will grant you your prize.

Around the Castle...

If you be the type
to seek out a Warrior's book,
quite near the **Quest Tree**
I'd advise you to look.

Back in a **dark nook**
the shield known to all.
Have your eyes look,
to the right-sided wall.

Behind **the big lizard**
the armor stands tall.
Find him and wave,
just don't let him fall.

The **sword** you will find
if you wander around.
Be sure that you mind
that the **entry's** around.

The **man in the mist**, if you choose to persist,
can be found where the Quest Tree stands tall.
Then you certainly might, if you look to the right,
find him there just next to a low wall.

DAZZLE RUNE QUEST

Seek out the five crystals
with colors so bright,
Red, yellow, blue, purple,
and – most powerful – white.
The Lady in the Leaves,
in the forest so deep,
Will grant the Dazzle Rune.
It's all yours to keep.

NEAR THE **WALL BY THE TUNNELS**
YOUR JOURNEY MUST BEGIN.
THEY SAY **RED CRYSTALS** LIKE THESE
ARE A DRAGON'S VERY BEST FRIEND.

IF I WERE A CRYSTAL
SO **VIBRANTLY BLUE,**
IN **THE DRAGON'S HALL**
I WOULD BE WAITING FOR YOU.

WHITE CRYSTALS GLOW
AT **WHISPERING'S MAZE,**
PROCEED THERE WITH CAUTION
AND AT MAGIC YOU'LL GAZE.

CRYSTALS YELLOW AS THE SUN,
SHIMMER DOWN ON EVERYONE!
TOWARD THE GOBLIN YOU MUST NOW GO
IN CORNER YOU'LL SEE IT, THIS I KNOW.

AT THE OPPOSITE END
OF **WHISPERING HALL**
THE **PURPLE CRYSTAL,**
WAITS FOR YOUR CALL.

WHEN YOU HAVE ALL FIVE CRYSTALS WITHIN YOUR POSSESSION,
YOU'RE READY TO MAKE QUITE A DAZZLING IMPRESSION!
IN THE CENTER OF STAIRWAYS YOU WILL FIND,
THE LADY IN THE LEAVES ALL COVERED WITH VINES.

ENCHANT CREATURE RUNE QUEST

Three hide in chests in the woods overgrown,
The fourth in the portrait of a forest with a stone.
Once you've found all and to the Pixie returned,
Claim the reward which you've certainly earned.

DON'T GET IN A BIND
BY THE DRAGON, I'D SUGGEST
ITS THERE THAT YOU'LL FIND
THE **NUMBER ONE CHEST.**

YOU'LL FIND **CHEST NUMBER TWO**
WITH ITS VALUABLE GOODS
IF YOU HEAD TOWARDS THE STAIRS
STAY TO THE LEFT OF THE WOODS.

UP WE NOW GO
TO THE SECOND FLOOR LANDED
WHISPERING WOODS IS THE PLACE
THAT THE **THIRD CHEST** IS PLANTED.

THE RUNE ROCK YOU SEEK LAST,
IS RIGHT OVER YONDER,
UP TO **PINEY PATHS**
IS WHERE YOUR FEET SHOULD WANDER.

SUPERB, BRAVE MAGI, YOU'VE BEEN WELL TRAINED
THE TREASURE CHESTS YOU'VE NOW OBTAINED!
THE PIXIE GRANTS THE PRIZE YOU SEARCH
NOW BACK DOWN THE STAIRS TO **PIXIE'S PERCH.**

HEALING RUNE QUEST

Shadow moss and knothole fungus,
root of forest fern,
pure tree slime,
find all in time then quickly, Magi, return
To the princess fair and she'll prepare
a potion for the ill,
And very soon, the Healing Rune,
bestow on you she will.

IF **FOREST FERN** YOU WISH TO EARN
THE PINEY PATH MAY HIDE IT.
TRAVERSE THROUGH ALL OF THAT SHORT HALL
AND BRAVELY THERE YOU'LL FIND IT!

THE **SHADOW MOSS** YOU'LL COME ACROSS
LIES DEEP BELOW THE FERN.
CLIMB DOWN THE STAIRS AND DOWN AGAIN.
AND BARELY MAKE A TURN!

IT'S NOW THE TIME TO FIND **TREE SLIME,**
SO HEED MY ARTFUL RHYMING:
WHISPERING WOODS ARE UP ONE FLIGHT
YOU BETTER GET TO CLIMBING!

FUNGUS, FUNGUS EVERYWHERE
PASS BY THE GOBLIN PATH.
BUT IF IT GROWS UPON YOUR CLOTHES
YOU'LL HAVE TO TAKE A BATH.

NOW WITH MOSS AND FUNGUS, SLIME AND FERN
TO THE **WOODLAND PRINCESS** TURN
DESCEND THE STAIR TO WHERE **PIXIES** LIVE
AND YOUR REWARD SHE'LL SURELY GIVE.

PORTAL RUNE QUEST

The Portal Rune, from cosmos strewn,
is known to one and all,
But if you wish to access this,
seek the Lady In the Wall.
First gather gold, enough to hold,
some two thousand pieces,
Then give it all to the Lady In the Wall, behold!
Your power increases!

THROUGHOUT THE LAND
OF MAGIQUEST
THERE'S **GOLD** APLENTY
STORED IN CHESTS.
JUST FIND THEM WITH
YOUR WAND AND HOVER,
AND **LOTS OF GOLD**
YOU WILL DISCOVER!

YOU'VE GATHERED **GOLD** ON THE QUEST YOU'RE PURSUING,
AND PROVED YOU MUST KNOW WHAT YOU'RE DOING.
NOW HASTE TO THE **LADY IN THE WALL**
IN DRAGON'S HALL TO CLAIM YOUR HAUL

RUNE OF FREEZING QUEST

Perched in the Green
a lantern make glow.
In woods that whisper,
A talking tree you'll come to know.
Thru Piney Path,
A book you will find,
And a painting of fairies,
will be yours in time

ONE IF BY LAND, TWO IF BY SEA
ON A HIGH PERCH SO OPEN AND FREE
THE HALLWAY LEADING TO OUR GREEN UGLY FRIEND
IS WHERE THE JOURNEY FOR YOUR **LANTERN** WILL END.

GO UP ONE FLIGHT
AND TAKE A LOOK
EVERGREENS HIDE
THE **FREEZING BOOK.**

TAKE TO THE STAIRS
AND START HEADING DOWN
INSIDE IS WHERE
THIS **PAINTING** IS FOUND.

CONTINUE ALONG
THIS TRACK FOR A WHILE
SPOT A **TREE THAT WILL TALK**
YOU'LL FIND IT SOMEHOW.

IN PINEY WOODS YOU'LL ALSO FIND
AN **OLD MAN WHO LIVES IN A STUMP.**
BUT APPROACH HIM WITH CAUTION
HE CAN BE QUITE A GRUMP.

RUNE OF PROTECTION QUEST

Two-thousand gold pieces
require your collection,
Then seek out the chest
where the Crown of Protection
Is hidden; the Hour Glass
will give assistance
And lead, but be careful
and please keep your distance!

TWO THOUSAND GOLD YOU SEEK TO FIND?
IF YOU ARE BRAVE AND SO INCLINED
THEN BE PERSISTENT, BOLD AND WISE,
AND SIMPLY OPEN UP YOUR EYES!

WHISPERING WOODS WOULD BE THE PLACE
TO FIND AN **HOURGLASS** AND EMBRACE
ITS CHARMS, BUT SURELY HEED THE CHIME,
AND, MAGI, DON'T RUN OUT OF TIME!

THIS **BOLD REGAL CHEST,**
ROYAL CRAFTSMEN DESIGNED IT,
OFF PINEY PATH
YOU SURELY WILL FIND IT.

THE TREEMAN HOLDS YOUR PRIZE, AND SOON
YOU'LL GAIN THE GREAT PROTECTION RUNE!
LOOK CLOSE AROUND AND YOU WILL SEE
THE **WHISPERING WOODS** IS WHERE HE'LL BE.

ICE ARROW RUNE QUEST

Heed close the words
of the QuestMaster's Tales,
Seek out the Hawk's claw
and ice dragon scales,
Likewise the snowflakes
and icicles too,
Then seek out the nesting owl
to tell you who's whooo.

BY THE CHILLS OF DECEMBER,
THROUGH TEMPEST STORMS TOSSED,
THE WHISPERING WOODS
HOLDS THE **ICICLE FROST.**

NO TWO ARE ALIKE,
BUT THESE ARE UNIQUE.
IN THE SAME LEVEL HALLS
HIDE THE **SNOWFLAKES** YOU SEEK.

ONE SET OF STAIRS
YOU'LL HAVE TO BOUND UP
IF **DRAGON SCALES**
YOU WISH TO ROUND UP.

UP TO THE TREETOP
YOU'LL HAVE TO BRAVELY WALK
WITH STEALTH AND AWE
WITHDRAW **THE CLAW**
BUT BEWARE THE REST OF THE HAWK.

NOW THAT YOU'VE FOUND ALL THAT YOU NEED
LOOK ABOUT CAREFULLY WITH GREAT SPEED.
THE **WISE OLD OWL** YOU MUST ATTEND
THE TOP OF THE TREE HIDES THIS FEATHERED FRIEND.
